ACT No. —— OF 1851.

An Act for consolidating the laws for collecting a Revenue of Excise on Spirituous Liquors and Intoxicating Drugs in the Settlement of Prince of Wales' Island, Singapore and Malacca.

Whereas it is expedient to make better provision for the collection of a Revenue of Excise upon Opium, Chandoo, Toddy and Bang, Arrack and Spirits, and the granting of Excise Licenses for the sale of the said Articles by retail within the Settlement of Prince of Wales' Island, Singapore and Malacca, It is enacted as follows:

I. Regulations II., IV., and V. 1830, passed by the Governor of Prince of Wales' Island, Singapore and Malacca in Council, Regulation IV. of 1831 and Act No. V. 1839, passed by the President of the Council of India in Council, and Regulation X. 1833, passed by the Governor General of India in Council, are repealed.

II. The exclusive right of making Chandoo or other preparation of Opium for smoking, and of retailing Chandoo, or Opium in smaller quantities than one chest; and the exclusive right of retailing Spirituous Liquors and Arrack in less quantities than One Hundred and Sixty Gallons, and of making and distilling Arrack and Spirituous Liquors; and the exclusive right of selling Toddy and Bang within the Settlement of Prince of Wales' Island, Singapore and Malacca, shall be vested, from time to time, in such persons as the Governor, or other Chief Civil Authority of the said Settlement, or such public Officer by him thereto authorized may license for that purpose, on such conditions as may be determined, either by public or private sale of such exclusive rights.

III. Any person in whom the exclusive right of making Chandoo or other preparation of Opium for smoking, and of retailing Opium in smaller quantities than one chest shall be vested, shall be called the "*Opium Farmer* of Prince of Wales' Island, or of Singapore, or of Malacca, as the case may be;" and the person in whom the exclusive right of retailing Spirituous Liquors and Arrack in less quantities than One Hundred and Sixty Gallons, and of making and distilling Arrack and Spirituous Liquors shall be vested, shall be called the "*Spirit Farmer* of Prince of Wales' Island, or of Singapore, or of Malacca, as the case may be;" and the person in whom the exclusive right of selling Toddy and Bang shall be vested, shall be called the "*Toddy Farmer* of Prince of Wales' Island, or of Singapore, or of Malacca, as the case may be."

IV. The number of Houses or Shops to be severally registered under this Act for the retailing, or smoking of Chandoo or prepared Opium, and for retailing Spirituous Liquors, and Arrack, and for the retail of Toddy or Bang, within the said Settlement and places, shall be determined, from time to time, by the Governor or other Chief Civil Authority of the said Settlement, or by such public Officer or Officers as he may authorize for that purpose; and the said Houses or Shops shall, as regards their situation and hours for opening and closing, be subject to such Rules and penalties as the said Governor or other Chief Civil Authority shall, from time to time, make in that behalf.

V. The Superintendent of Police at each of the Stations of Prince of Wales' Island, Singapore and Malacca shall grant to the keeper of every such House or Shop a License, which shall contain the name of the keeper or keepers, and the situation of the House or Shop, and shall be registered in the Police Office of the Station in which the same shall be granted; for which grant and registration the following Fees shall be paid, that is to say, for an Opium House, Three Dollars; for a Tavern, Five Dollars; for an Eating House or Spirit Shop, Three Dollars; for a Toddy Shop, Two Dollars: and every such License may be recalled and cancelled by the Superintendent of Police as occasion shall appear to him to require: and every person who shall open or keep such House or Shop, without having first obtained and registered such License, shall forfeit a penalty not exceeding Fifty Dollars.

VI. The following Draft of a proposed Act was read in Council for the first time on the 20th June 1851.

ACT No. —— OF 1851.

An Act to facilitate ejectment of occupiers of land whose title has ceased.

Whereas by Clauses Sixth and Seventh, Section XV. Regulation VII. 1799, Clauses Second and Fourth, Section XVIII. Regulation VIII. 1819 of the Bengal Code of Regulations, and by Section XX. Act I. 1845, rights are vested in Zemindars and others in certain cases to attach undertenures, to cancel leases and to eject undertenants; but no means are provided, by which persons claiming to exercise those rights can obtain the assistance of the Civil Courts for that purpose, except upon a decree obtained in a regular suit: and whereas, in like manner, no means, except a Civil suit, are now provided by law for giving the assistance of the Civil Courts to persons claiming to eject tenants after the expiration of their leases, or to eject agents removable at will or after a term: and whereas it is right that persons, able to establish in a summary enquiry their right to exercise the said powers, should have the assistance of the Civil Courts for that purpose, It is enacted as follows:

I. This Act shall extend only to the Lower Provinces of the Presidency of Fort William in Bengal.

II. A Judge of a Civil Court in the said Provinces, shall receive any petition, presented to him upon a stamped paper of the value of eight annas, praying for the ejectment of a tenant or agent, or the avoidance of a lease, or attachment of a tenure under the Regulations and Act mentioned in the preamble to this Act, or for assistance in any of the cases stated in the said preamble; and, after making summary enquiry into the facts stated in the petition, and, if necessary, causing a local enquiry and report to be made to him by the Moonsiff in whose jurisdiction the house or tenure or any part of the same is situated, shall make an order on the petition, either granting the assistance of the Court, in like manner as for the execution of its decrees, or refusing it, as to him may seem fit: and the order of the Judge so made shall be final, unless set aside by a decree passed in a regular Civil suit.

III. The Judge to whom such a petition is presented may, if he thinks fit, send it to be disposed of by any Moonsiff within whose jurisdiction the property concerned, or any part of it, is situated, and the Moonsiff shall thereupon deal with the petition as the Judge is empowered to do in the foregoing Section.

IV. An appeal shall lie to the Judge, if preferred within one calendar month, against any order of a Moonsiff, made upon a petition referred to him according to the provisions of the foregoing Section; and the order of the Judge upon every such appeal shall be final, unless set aside by a decree passed in a regular Civil suit.

Ordered, that the Draft now read be published for general information.

Ordered, that the said Draft be re-considered at the first Meeting of the Legislative Council of India after the 20th day of August next.

FRED. JAS. HALLIDAY,

The light will consist of two groups of three powerful lamps each; the whole revolving once in two minutes, and shewing a flash of light of five seconds' duration every minute, with intervals of 55 seconds of darkness. The centre of the light is 197 feet above highwater level, and at the height of 18 feet may be seen in clear weather at a distance of 7 leagues.

Rottnest Light House is in latitude 32 degrees 0 minutes 19 seconds South, longitude 115 degrees 31 minutes 18 seconds East from Greenwich, and stands 3 miles North 75 degrees East by compass from the West extremity of the Island, and 2¾ miles West by compass from its East extremity.

NEW PILOT STATION

FOR THE

S. W. Monsoon—Distinction of Lights.

NOTICE is hereby given, that *from and after the 15th of March* 1852, the Pilot Station for the South West Monsoon will be changed to the position described in the following Sailing Directions of the Master Attendant of this Port; and that from and after the date specified, the Eastern Channel Light Vessel will show a *bright red light* instead of a *plain one*, as at present, to distinguish it from the Gasper Channel Light, which bears from it about N. N. W., *distant* 22 miles.

By Order of the Superintendent of Marine,

JAMES SUTHERLAND,
Secretary.

Fort William, the 6th May, 1851.

Sailing Directions for Vessels requiring Pilots during the South West Monsoon at the New Station, on the North East part of the Pilot Ridge.

False Point Light House is in latitude 20° 19½′ *north* and longitude 86° 47′ *east*, and a buoy is placed in 21½ fathoms on the Pilot's Ridge, in latitude 20° 49½′ *north*, and longitude 87° 42′ *east*, the buoy therefore bears from False Point Light House *north* 59° 49′ *east* true, and distant 59½ miles.

A vessel therefore after making the Light House at False Point (in passing which she ought not to go into less than 10 fathoms) should bring it to bear about *west south west* 10 or 15 miles distant, when she will be in 11 or 12 fathoms, then steer *east north eastward*, when the soundings will gradually increase to 23 fathoms on the eastern edge of the Pilot's Ridge. She should then regulate her course so as to keep between the Ridge and 27 fathoms, when by attention to the lead and nature of the soundings, course and distance run from the Light House, it is almost impossible to avoid making the Pilot Vessels, as their cruizing ground is immediately to the *north east* of the Light Vessel stationed during the *South West Monsoon* in close proximity to the buoy on the Ridge.

The soundings to seaward of the Pilot's Ridge are in general a greenish or olive coloured mud, with occasionally a few bits of broken shells mixed with it; whilst those on the Ridge are of a shelly sand, or minute gravel, of a reddish or rusty brown color.

Vessels approaching the Station are earnestly warned to be careful in avoiding collision when communicating with either the Light, or supplying Pilot Vessels; and on making the former at night, they are strongly recommended to heave to, at a proper distance till day-light, by which measure they will avoid the probability of passing the supplying Pilot Vessels in the darkness of the night.

The Eastern Channel Light Vessel is in latitude 21° 04′ *north* and longitude 88° 14′ *east*, and therefore bears from the buoy on the Pilot's Ridge, *north* 63·26 *east*, true; and distant 32¼ miles.

The Eastern Channel Light Vessel burns a blue light every hour during the night, commencing at 7 P. M. and a maroon (or torch) at the intermediate half hours, and her standing Light will from the date above specified, be a *bright red* colour.

The Pilot's Ridge Light Vessel shows one plain standing Light, and burns a blue light every hour,

and a maroon at the intermediate half hours, and also fires a gun on sighting any vessel.

During the *North East Monsoon*, the cruizing ground where Ships will have to seek for Pilots, will be as heretofore in the Eastern Channel.

(Signed) H. L. Thomas,
Master Attendant.

By order of the Hon'ble the President in Council,

J. A. DORIN,

Secy. to the Govt. of India.

Fort William, Home Department, Legislative, the 20th June, 1851.

The following Draft of a proposed Act was read in Council for the first time on the 20th June 1851.

ACT NO. —— OF 1851.

An Act to facilitate ejectment of occupiers of land whose title has ceased.

Whereas by Clauses Sixth and Seventh, Section XV. Regulation VII. 1799, Clauses Second and Fourth, Section XVIII. Regulation VIII. 1819 of the Bengal Code of Regulations, and by Section XX. Act I. 1845, rights are vested in Zemindars and others in certain cases to attach undertenures, to cancel leases and to eject undertenants; but no means are provided, by which persons claiming to exercise those rights can obtain the assistance of the Civil Courts for that purpose, except upon a decree obtained in a regular suit: and whereas, in like manner, no means, except a Civil suit, are now provided by law for giving the assistance of the Civil Courts to persons claiming to eject tenants after the expiration of their leases, or to eject agents removable at will or after a term: and whereas it is right that persons, able to establish in a summary enquiry their right to exercise the said powers, should have the assistance of the Civil Courts for that purpose, It is enacted as follows:

I. This Act shall extend only to the Lower Provinces of the Presidency of Fort William in Bengal.

II. A Judge of a Civil Court in the said Provinces, shall receive any petition, presented to him upon a stamped paper of the value of eight annas, praying for the ejectment of a tenant or agent, or the avoidance of a lease, or attachment of a tenure under the Regulations and Act mentioned in the preamble to this Act, or for assistance in any of the cases stated in the said preamble; and, after making summary enquiry into the facts stated in the petition, and, if necessary, causing a local enquiry and report to be made to him by the Moonsiff in whose jurisdiction the house or tenure or any part of the same is situated, shall make an order on the petition, either granting the assistance of the Court, in like manner as for the execution of its decrees, or refusing it, as to him may seem fit: and the order of the Judge so made shall be final, unless set aside by a decree passed in a regular Civil suit.

III. The Judge to whom such a petition is presented may, if he thinks fit, send it to be disposed of by any Moonsiff within whose jurisdiction the property concerned, or any part of it, is situated, and the Moonsiff shall thereupon deal with the petition as the Judge is empowered to do in the foregoing Section.

IV. An appeal shall lie to the Judge, if preferred within one calendar month, against any order of a Moonsiff, made upon a petition referred to him according to the provisions of the foregoing Section; and the order of the Judge upon every such appeal shall be final, unless set aside by a decree passed in a regular Civil suit.

Ordered, that the Draft now read be published for general information.

Ordered, that the said Draft be re-considered at the first Meeting of the Legislative Council of India after the 20th day of August next.

FRED. JAS. HALLIDAY,
Secy. to the Govt. of India.

Fort William, Home Department, Legislative, the 4th July, 1851.

The following Draft of a proposed Act was read in Council for the first time on the 4th of July 1851.

ACT NO. —— OF 1851.

An Act for regulating the departure of Emigrant Ships from Calcutta to Jamaica, British Guiana, and Trinidad.

Whereas by Section VIII. Act XXI. 1844, it was among other things enacted, that no Ship or Vessel carrying Emigrant Labourers to Jamaica, British Guiana, or Trinidad, should sail from Calcutta, Madras, or Bombay; at any other time than between the thirtieth day of any September, and the first of March next thereafter ensuing: and the said provision, having been found incovenient for Ships or Vessels, carrying Emigrant Labourers from Madras, was repealed by Act XXV. 1845, so far as regarded such last mentioned Ships or Vessels:

And whereas the said provision has also been found inconvenient for Ships or Vessels, carrying Emigrant Labourers from Calcutta, It is enacted as follows:

I. So much of Act XXI. 1844, as is hereinbefore recited, is repealed so far as regards Ships or Vessels, carrying Emigrant Labourers from Calcutta.

II. No Ships or Vessels, carrying Emigrant Labourers to Jamaica, British Guiana, or Trinidad, shall sail from Calcutta at any other time than between the Thirty-first day of any August, and the first of March next thereafter ensuing.

LIGHT HOUSE ON ROTTNEST ISLAND.

A REVOLVING CATOPTRIC LIGHT will be exhibited from the Light House near the centre of Rottnest Island on and after the night of 1st June, 1851, during the period between sunset and sunrise.

The light will consist of two groups of three powerful lamps each; the whole revolving once in two minutes, and shewing a flash of light of five seconds' duration every minute, with intervals of 55 seconds of darkness. The centre of the light is 197 feet above highwater level, and at the height of 18 feet may be seen in clear weather at a distance of 7 leagues.

Rottnest Light House is in latitude 32 degrees 0 minutes 19 seconds South, longitude 115 degrees 31 minutes 18 seconds East from Greenwich, and stands 3 miles North 75 degrees East by compass from the West extremity of the Island, and 2½ miles West by compass from its East extremity.

NEW PILOT STATION
FOR THE
S. W. Monsoon—Distinction of Lights.

NOTICE is hereby given, that *from and after the 15th of March* 1852, the Pilot Station for the South West Monsoon will be changed to the position described in the following Sailing Directions of the Master Attendant of this Port; and that from and after the date specified, the Eastern Channel Light Vessel will show a *bright red light* instead of a *plain one*, as at present, to distinguish it from the Gasper Channel Light, which bears from it about N. N. W., *distant* 22 miles.

By Order of the Superintendent of Marine,

JAMES SUTHERLAND,
Secretary.

Fort William, the 6th May, 1851.

Sailing Directions for Vessels requiring Pilots during the South West Monsoon at the New Station, on the North East part of the Pilot Ridge.

False Point Light House is in latitude 20° 19½′ *north* and longitude 86° 47′ *east*, and a buoy is placed in 21½ fathoms on the Pilot's Ridge, in latitude 20° 49½′ *north*, and longitude 87° 42′ *east*, the buoy therefore bears from False Point Light House *north* 59° 49′ *east* true, and distant 59½ miles.

A vessel therefore after making the Light House at False Point (in passing which she ought not to go into less than 10 fathoms) should bring it to bear about *west south west* 10 or 15 miles distant, when she will be in 11 or 12 fathoms, then steer *east north eastward*, when the soundings will gradually increase to 23 fathoms on the eastern edge of the Pilot's Ridge. She should then regulate her course so as to keep between the Ridge and 27 fathoms, when by attention to the lead and nature of the soundings, course and distance run from the Light House, it is almost impossible to avoid making the Pilot Vessels, as their cruizing ground is immediately to the *north east* of the Light Vessel stationed during the *South West Monsoon* in close proximity to the buoy on the Ridge.

The soundings to seaward of the Pilot's Ridge are in general a greenish or olive coloured mud, with occasionally a few bits of broken shells mixed with it; whilst those on the Ridge are of a shelly sand, or minute gravel, of a reddish or rusty brown color.

Vessels approaching the Station are earnestly warned to be careful in avoiding collision when communicating with either the Light, or supplying Pilot Vessels; and on making the former at night, they are strongly recommended to heave to, at a proper distance till day-light, by which measure they will avoid the probability of passing the supplying Pilot Vessels in the darkness of the night.

The Eastern Channel Light Vessel is in latitude 21° 04′ *north* and longitude 88° 14′ *east*, and therefore bears from the buoy on the Pilot's Ridge, *north* 63·26 *east*, true; and distant 32¼ miles.

The Eastern Channel Light Vessel burns a blue light every hour during the night, commencing at 7 P. M. and a maroon (or torch) at the intermediate half hours, and her standing Light will from the date above specified, be a *bright red colour.*

The Pilot's Ridge Light Vessel shows one plain standing Light, and burns a blue light every hour, and a maroon at the intermediate half hours, and also fires a gun on sighting any vessel.

During the *North East Monsoon*, the cruizing ground where Ships will have to seek for Pilots, will be as heretofore in the Eastern Channel.

Master Attendant.

Act No. VIII. of 1851.

An Act for enabling Government to levy Tolls on public Roads and Bridges.

Whereas it is expedient to enable Government to levy Tolls upon Roads and Bridges, It is enacted as follows :

I. Acts II. 1837 and VIII. 1838 are repealed, but not so as to revive any Regulation or Act thereby repealed.

II. The Governor of the Presidency of Fort William in Bengal, the Lieutenant Governor of the North Western Provinces of Bengal, the Governor of the Presidency of Fort St. George in Council, and the Governor of the Presidency of Bombay in Council, may cause such rates of Toll, not exceeding the rates mentioned in the Schedule annexed to this Act, as they respectively think fit, to be levied upon any road or bridge which has been, or shall hereafter be made or repaired at the expense of the Government; and may place the collection of such Tolls under the management of such persons as may appear to them proper: and all persons employed in the management and collection of such Tolls shall be liable to the same responsibilities, as would belong to them, if employed in the collection of the Land Revenue.

III. In case of non-payment of any such Toll on demand, the Officers appointed to collect the same may seize any of the carriages or animals on which it is chargeable, or any part of their burden of sufficient value to defray the Toll ; and, if any Toll remains undischarged for twenty-four hours, with the cost arising from such seizure, the case shall be brought before the Officer appointed to superintend the collection of the said Toll, who may sell the property seized for discharge of the Toll, and all expenses occasioned by such non-payment, seizure, and sale, and cause any balance that may remain to be returned, on demand, to the owner of the property ; and the said Officer, on receipt of the property, shall forthwith issue a notice that, at noon of the next day, exclusive of Sunday, or any close holiday, he will sell the property by auction. Provided that if, at any time before the sale has actually begun, the person whose property has been seized shall tender the amount of all the expences incurred, and of double the Toll payable by him, the said Officer shall forthwith release the property seized.

IV. No Tolls shall be paid for the passage of Troops and Military Stores and Equipages on their march, or of Police Officers on duty, or of any person or property in their custody ; but no other exemption from payment of the Tolls levied under this Act shall be allowed.

V. All Police Officers shall be bound to assist the Toll Collectors, when required, in the execution of this Act; and, for that purpose, shall have the same power which they have in the exercise of their common Police duties.

VI. Every person, other than the persons appointed to collect the Tolls under this Act, who shall levy or demand any Toll on any public road or bridge, or for passing through any bazar situated thereon, and also every person who shall unlawfully and extortionately demand, or take any other, or higher Toll than the lawful Toll, or under colour of this Act seize or sell any property, knowing such seizure or sale to be unlawful, or in any manner unlawfully extort money, or any valuable thing from any person under colour of this Act shall be liable on conviction before a Magistrate, to imprisonment for any term not exceeding six Calendar months, or to fine not exceeding two hundred Rupees, any part of which fine may be awarded by the Magistrate to the person aggrieved : but this remedy shall not be deemed to bar, or affect his right to have redress by suit in the Civil Court of the Zillah.

VII. The following Act is passed by the Hon'ble the President of the Council of India in Council on the 11th July 1851, with the assent of the Most Noble the Governor General of India, which has been read and recorded.

Ordered, that the Act be promulgated for general information.

ACT No. IX. OF 1851.

An Act for the prevention of Gambling in Bombay.

Whereas the vice of Gambling has of late years much increased, and many gaming houses have been established within the Town and Island of Bombay, for suppression of which the laws now in force are inadequate, It is enacted as follows:

I. So much of Article II. of Title Fifth of a Rule, Ordinance and Regulation passed by the Governor of Bombay in Council on the 11th day of April 1827, and registered in the Supreme Court of Bombay on the 22nd day of June 1827, as provides that the Court of Petty Sessions shall exercise jurisdiction over common gamblers who shall not give a satisfactory account of any other means of livelihood, is repealed.

II. Every person who, within the Town and Island of Bombay, shall keep a common gaming house, or any room, or other place used for the purposes of a common gaming house, or who shall have the care or management thereof, or shall in any manner conduct the business of any such common gaming house, either as Banker, Shroff, Croupier or otherwise, shall, on conviction before the Court of Petty Sessions, be punishable by fine not exceeding One Thousand Rupees, or, in the discretion of the said Court, may be imprisoned with or without hard labor for any period not exceeding six Calendar months.

III. And, whereas it may be doubted, whether or not certain houses or rooms alleged or reputed to be opened for the use of the subscribers only, or not open to all persons desirous of using the same, are to be deemed common gaming houses, it is declared and enacted that, in default of other evidence proving any house, room, or place to be used as a common gaming house, it shall be enough, in support of the allegation in any information or indictment that any house, room, or place is a common gaming house, to prove that such house, room, or place is kept or used for playing therein at cards, dice, or any unlawful game, and that a bank is kept there by one or more of the players exclusively of the others, or that the chances of any game played therein are not alike favorable to all the players, including, among the players, the banker or other person by whom the game is managed, or against whom the other players stake, play or bet; and every such house, room, or place shall be deemed a common gaming house.

IV. Every person who shall be found in any such common gaming house playing or gaming with cards, dice, counters, money, or other instruments of gaming, or who shall be found there present during such playing or gaming, or for the purpose of gaming, or who shall be found gaming with cards, dice, counters, money, or other instruments of gaming in any street or public place or thoroughfare within the said town and island, whether playing for any money, wager, stake, or otherwise, shall be punishable, on conviction before the Court of Petty Sessions, by fine not exceeding Five Hundred Rupees; or in the discretion of the said Court, may be imprisoned with or without hard labor for any period not exceeding three Calendar months.

V. Any Magistrate of Police, upon information laid before him on oath that there is reason to suspect any house, room, or place within the said town and island to be used as a common gaming house, may, by his warrant, give authority to any Constable of Police in the town and island of Bombay to enter, with such assistance as may be found necessary, by night or by day, and by force if necessary, any such house, room, or other place, and to take into custody all persons whom he finds therein, whether or not then actually gaming; and to seize all instruments of gaming, and all monies and securities for money found therein, and to search all parts of the house, room, or place which he shall have so entered, when he has reason to believe that any instruments of gaming are concealed; and to search also the persons of those whom he so takes into custody, and to seize and take possession of all cards, dice, counters, and other instruments of gaming which he shall find upon such search.

VI. When any cards, dice, gaming table or cloth, or other instruments of gaming are found in any house, room, or place of which information has been given on oath to a Magistrate of Police, that it is suspected of being used as a common gaming house, or about the person of any of those who are found therein, it shall be evidence, until the contrary is made to appear, that such house, room, or place is used as a common gaming house, and that the persons found therein were there present for the purpose of gaming, although no play was actually seen by the Constable or any of his Assistants.

VII. On conviction of any person for keeping or being present for the purpose of gaming in any common gaming house, all the instruments of gaming found therein shall be destroyed by order of the Court of Petty Sessions, which shall also order all, or any of the securities for money, and other articles seized, not being instruments of gaming, to be sold and converted into money, and the proceeds thereof, with all monies seized therein, to be forfeited, or in its discretion may order any part thereof to be returned to the parties appearing to have been severally thereunto entitled.

VIII. Any Officer of Police may arrest without warrant all persons whom he may see in the act of gaming in any street or public place or thoroughfare in the said town or island, and seize all cards, dice, counters, and instruments of gaming which he finds in their possession, which, on conviction of any of the parties, shall be destroyed by order of the Court.

IX. It shall not be necessary, in order to convict any person of keeping a common gaming house, or of being concerned in the management of any common gaming house or gaming table, to prove that any person found playing at any game was playing for any money, wager, or stake.

X. Any person who shall have been concerned in any unlawful gaming, and who shall be examined as a witness before the said Court of Petty Sessions, on the trial of any person or persons for a breach of any of the provisions of this Act, and who upon such examination shall make true and faithful discovery to the best of his or her knowledge of all things as to which he or she shall be so examined, and who shall thereupon receive from the said Court a certificate in writing to that effect, shall be freed from all prosecutions under this Act for any thing done before that time in respect of such unlawful gaming.

XI. Nothing in the foregoing provisions of this Act contained shall be held to apply to any game of mere skill played at Hotels or Taverns licensed by the Collector of Land Revenue, and the Senior Magistrate of Police under Act XVIII. 1840, or in any place of public resort licensed by the Court of Petty Sessions under Act XIV. 1842.

XII. Every person who shall by any fraud or unlawful device or ill practice in playing at or with cards, dice, or other game, or in bearing a part in the stakes, wagers or adventures, or in betting on the sides or hands, of them that do play, or in wagering on the event of any game, sport, pastime, or exercise, win from any other person for himself, or any other or others any sum of money or valuable thing, shall be deemed guilty of obtaining such money or valuable thing from such other person by a false pretence, with intent to cheat or defraud such person of the same, and being convicted thereof shall be punished accordingly.

XIII. No conviction or other proceeding before the said Court of Petty Sessions under this Act shall be quashed, or set aside or adjudged void or insufficient for want of form, or be removed by Certiorari into Her Majesty's Supreme Court.

XIV. All fines imposed under this Act shall be recovered under Act II. 1839.

XV. The Court of Petty Sessions shall on conviction have power to direct any portion, not exceeding one-fourth of any fine which shall be levied under the provisions of this Act, or any part of the monies or proceeds of articles seized in any common gaming house and ordered to be forfeited, to be paid to an informer, and the balance of such fines and monies or the whole thereof, as the case may be, shall be applied to the use of the Municipal Fund under Act XI. 1845.

FRED. JAS. HALLIDAY,

Secy. to the Govt. of India

Fort William, Home Department, Legislative, the 20th June, 1851.

The following Draft of a proposed Act was read in Council for the first time on the 20th June 1851.

ACT No. —— OF 1851.

An Act to facilitate ejectment of occupiers of land whose title has ceased.

Whereas by Clauses Sixth and Seventh, Section XV. Regulation VII. 1799, Clauses Second and Fourth, Section XVIII. Regulation VIII. 1819 of the Bengal Code of Regulations, and by Section XX. Act I. 1845, rights are vested in Zemindars and others in certain cases to attach undertenures, to cancel leases and to eject undertenants, but no means are provided, by which persons claiming to exercise those rights can obtain the assistance of the Civil Courts for that purpose, except upon a decree obtained in a regular suit: and whereas, in like manner, no means, except a Civil suit, are now provided by law for giving the assistance of the Civil Courts to persons claiming to eject tenants after the expiration of their leases, or to eject agents removable at will or after a term: and whereas it is right that persons, able to establish in a summary enquiry their right to exercise the said powers, should have the assistance of the Civil Courts for that purpose, It is enacted as follows:

I. This Act shall extend only to the Lower Provinces of the Presidency of Fort William in Bengal.

II. A Judge of a Civil Court in the said Provinces, shall receive any petition, presented to him upon a stamped paper of the value of eight annas, praying for the ejectment of a tenant or agent, or the avoidance of a lease, or attachment of a tenure under the Regulations and Act mentioned in the preamble to this Act, or for assistance in any of the cases stated in the said preamble; and, after making summary enquiry into the facts stated in the petition, and, if necessary, causing a local enquiry and report to be made to him by the Moonsiff in whose jurisdiction the house or tenure or any part of the same is situated, shall make an order on the petition, either granting the assistance of the Court, in like manner as for the execution of its decrees, or refusing it, as to him may seem fit: and the order of the Judge so made shall be final, unless set aside by a decree passed in a regular Civil suit.

III. The Judge to whom such a petition is presented may, if he thinks fit, send it to be disposed of by any Moonsiff within whose jurisdiction the property concerned, or any part of it, is situated, and the Moonsiff shall thereupon deal with the petition as the Judge is empowered to do in the foregoing Section.

IV. An appeal shall lie to the Judge, if preferred within one calendar month, against any order of a Moonsiff, made upon a petition referred to him according to the provisions of the foregoing Section; and the order of the Judge upon every such appeal shall be final, unless set aside by a decree passed in a regular Civil suit.

Ordered, that the Draft now read be published for general information.

Ordered, that the said Draft be re-considered at the first Meeting of the Legislative Council of India after the 20th day of August next.

FRED. JAS. HALLIDAY,
Secy. to the Govt. of India.

Fort William, Home Department, Legislative, the 4th July, 1851.

An Act for regulating the departure of Emigrant Ships from Calcutta to Jamaica, British Guiana, and Trinidad.

Whereas by Section VIII. And whereas the said provision has also been found inconvenient for Ships or Vessels, carrying Emigrant Labourers from Calcutta, It is enacted as follows:

I. So much of Act XXI. 1844, as is hereinbefore recited, is repealed so far as regards Ships or Vessels, carrying Emigrant Labourers from Calcutta.

NEW PILOT STATION FOR THE S. W. Monsoon—Distinction of Lights.

NOTICE is hereby given, that *from and after the 15th of March* 1852, the Pilot Station for the South West Monsoon will be changed to the position described in the following Sailing Directions of the Master Attendant of this Port; and that from and after the date specified, the Eastern Channel Light Vessel will show a *bright red light* instead of a *plain one*, as at present, to distinguish it from the Gasper Channel Light, which bears from it about N. N. W., *distant* 22 miles.

By Order of the Superintendent of Marine,

JAMES SUTHERLAND,
Secretary

Fort William, the 6th May, 1851.

Sailing Directions for Vessels requiring Pilots during the South West Monsoon at the New Station, on the North East part of the Pilot Ridge.

False Point Light House is in latitude 20° 19½′ *north* and longitude 86° 47′ *east*, and a buoy is placed in 21½ fathoms on the Pilot's Ridge, in latitude 20° 49½′ *north*, and longitude 87° 42′ *east*, the buoy therefore bears from False Point Light House *north* 59° 49′ *east* true, and distant 59½ miles.

A vessel therefore after making the Light House at False Point (in passing which she ought not to go into less than 10 fathoms) should bring it to bear about *west south west* 10 or 15 miles distant, when she will be in 11 or 12 fathoms, then steer *east north eastward*, when the soundings will gradually increase to 23 fathoms on the eastern edge of the Pilot's Ridge. She should then regulate her course so as to keep between the Ridge and 27 fathoms, when by attention to the lead and nature of the soundings, course and distance run from the Light House, it is almost impossible to avoid making the Pilot Vessels, as their cruizing ground is immediately to the *north east* of the Light Vessel stationed during the *South West Monsoon* in close proximity to the buoy on the Ridge.

The soundings to seaward of the Pilot's Ridge are in general a greenish or olive coloured mud, with occasionally a few bits of broken shells mixed with it; whilst those on the Ridge are of a shelly sand, or minute gravel, of a reddish or rusty brown color.

Vessels approaching the Station are earnestly warned to be careful in avoiding collision when communicating with either the Light, or supplying Pilot Vessels; and on making the former at night, they are strongly recommended to heave to, at a proper distance till day light, by which measure they will avoid the probability of passing the supplying Pilot Vessels in the darkness of the night.

The Eastern Channel Light Vessel is in latitude 21° 04′ *north* and longitude 88° 14′ *east*, and therefore bears from the buoy on the Pilot's Ridge, *north* 63·26 *east*, true; and distant 32½ miles.

The Eastern Channel Light Vessel burns a blue light every hour during the night, commencing at 7 P. M. and a maroon (or torch) at the intermediate half hours, and her standing Light will from the date above specified, be a *bright red* colour.

The Pilot's Ridge Light Vessel shows one plain standing Light, and burns a blue light every hour, and a maroon at the intermediate half hours, and also fires a gun on sighting any vessel.

During the *North East Monsoon*, the cruizing ground where Ships will have to seek for Pilots, will be as heretofore in the Eastern Channel.

(Signed) H. L. THOMAS,
Master Attendant.

Master Attendant's Office, the 25th March, 1851.

ACT No. VIII. of 1851.

An Act for enabling Government to levy Tolls on public Roads and Bridges.

Whereas it is expedient to enable Government to levy Tolls upon Roads and Bridges, It is enacted as follows:

I. Acts II. 1837 and VIII. 1838 are repealed, but not so as to revive any Regulation or Act thereby repealed.

II. The Governor of the Presidency of Fort William in Bengal, the Lieutenant Governor of the North Western Provinces of Bengal, the Governor of the Presidency of Fort St. George in Council, and the Governor of the Presidency of Bombay in Council, may cause such rates of Toll, not exceeding the rates mentioned in the Schedule annexed to this Act, as they respectively think fit, to be levied upon any road or bridge which has been, or shall hereafter be made or repaired at the expense of the Government; and may place the collection of such Tolls under the management of such persons as may appear to them proper: and all persons employed in the management and collection of such Tolls shall be liable to the same responsibilities, as would belong to them, if employed in the collection of the Land Revenue.

III. In case of non-payment of any such Toll on demand, the Officers appointed to collect the same may seize any of the carriages or animals on which it is chargeable, or any part of their burden of sufficient value to defray the Toll; and, if any Toll remains undischarged for twenty-four hours, with the cost arising from such seizure, the case shall be brought before the Officer appointed to superintend the collection of the said Toll, who may sell the property seized for discharge of the Toll, and all expenses occasioned by such non-payment, seizure, and sale, and cause any balance that may remain to be returned, on demand, to the owner of the property; and the said Officer, on receipt of the property, shall forthwith issue a notice that, at noon of the next day, exclusive of Sunday, or any close holiday, he will sell the property by auction. Provided that if, at any time before the sale has actually begun, the person whose property has been seized shall tender the amount of all the expences incurred, and of double the Toll payable by him, the said Officer shall forthwith release the property seized.

IV. No Tolls shall be paid for the passage of Troops and Military Stores and Equipages on their march, or of Police Officers on duty, or of any person or property in their custody; but no other exemption from payment of the Tolls levied under this Act shall be allowed.

V. All Police Officers shall be bound to assist the Toll Collectors, when required, in the execution of this Act; and, for that purpose, shall have the same power which they have in the exercise of their common Police duties.

VI. Every person, other than the persons appointed to collect the Tolls under this Act, who shall levy or demand any Toll on any public road or bridge, or for passing through any bazar situated thereon, and also every person who shall unlawfully and extortionately demand, or take any other, or higher Toll than the lawful Toll, or under colour of this Act seize or sell any property, knowing such seizure or sale to be unlawful, or in any manner unlawfully extort money, or any valuable thing from any person under colour of this Act shall be liable on conviction before a Magistrate, to imprisonment for any term not exceeding six Calendar months, or to fine not exceeding two hundred Rupees, any part of which fine may be awarded by the Magistrate to the person aggrieved: but this remedy shall not be deemed to bar, or affect his right to have redress by suit in the Civil Court of the Zillah.

ACT NO. IX. OF 1851.

An Act for the prevention of Gambling in Bombay.

Whereas the vice of Gambling has of late years much increased, and many gaming houses have been established within the Town and Island of Bombay, for suppression of which the laws now in force are inadequate, It is enacted as follows :

I. So much of Article II. of Title Fifth of a Rule, Ordinance and Regulation passed by the Governor of Bombay in Council on the 11th day of April 1827, and registered in the Supreme Court of Bombay on the 22nd day of June 1827, as provides that the Court of Petty Sessions shall exercise jurisdiction over common gamblers who shall not give a satisfactory account of any other means of livelihood, is repealed.

II. Every person who, within the Town and Island of Bombay, shall keep a common gaming house, or any room, or other place used for the purposes of a common gaming house, or who shall have the care or management thereof, or shall in any manner conduct the business of any such common gaming house, either as Banker, Shroff, Croupier or otherwise, shall, on conviction before the Court of Petty Sessions, be punishable by fine not exceeding One Thousand Rupees, or, in the discretion of the said Court, may be imprisoned with or without hard labor for any period not exceeding six Calendar months.

III. And, whereas it may be doubted, whether or not certain houses or rooms alleged or reputed to be opened for the use of the subscribers only, or not open to all persons desirous of using the same, are to be deemed common gaming houses, it is declared and enacted that, in default of other evidence proving any house, room, or place to be used as a common gaming house, it shall be enough, in support of the allegation in any information or indictment that any house, room, or place is a common gaming house, to prove that such house, room, or place is kept or used for playing therein at cards, dice, or any unlawful game, and that a bank is kept there by one or more of the players exclusively of the others, or that the chances of any game played therein are not alike favorable to all the players, including, among the players, the banker or other person by whom the game is managed, or against whom the other players stake, play or bet ; and every such house, room, or place, shall be deemed a common gaming house.

IV. Every person who shall be found in any such common gaming house playing or gaming with cards, dice, counters, money, or other instruments of gaming, or who shall be found there present during such playing or gaming, or for the purpose of gaming, or who shall be found gaming with cards, dice, counters, money, or other instruments of gaming in any street or public place or thoroughfare within the said town and island, whether playing for any money, wager, stake, or otherwise, shall be punishable, on conviction before the Court of Petty Sessions, by fine not exceeding Five Hundred Rupees ; or in the discretion of the said Court, may be imprisoned with or without hard labor for any period not exceeding three Calendar months.

V. Any Magistrate of Police, upon information laid before him on oath that there is reason to suspect any house, room, or place within the said town and island to be used as a common gaming house, may, by his warrant, give authority to any Constable of Police in the town and island of Bombay to enter, with such assistance as may be found necessary, by night or by day, and by force if necessary, any such house, room, or other place, and to take into custody all persons whom he finds therein, whether or not then actually gaming ; and to seize all instruments of gaming, and all monies and securities for money found therein, and to search all parts of the house, room, or place which he shall have so entered, when he has reason to believe that any instruments of gaming are concealed ; and to search also the persons of those whom he so takes into custody, and to seize and take possession of all cards, dice, counters, and other instruments of gaming which he shall find upon such search.

VI. When any cards, dice, gaming table or cloth, or other instruments of gaming are found in any house, room, or place of which information has been given on oath to a Magistrate of Police, that it is suspected of being used as a common gaming house, or about the person of any of those who are found therein, it shall be evidence, until the contrary is made to appear, that such house, room, or place is used as a common gaming house, and that the persons found therein were there present for the purpose of gaming, although no play was actually seen by the Constable or any of his Assistants.

VII. On conviction of any person for keeping or being present for the purpose of gaming in any common gaming house, all the instruments of gaming found therein shall be destroyed by order of the Court of Petty Sessions,

which shall also order all, or any of the securities for money, and other articles seized, not being instruments of gaming, to be sold and converted into money, and the proceeds thereof, with all monies seized therein, to be forfeited, or in its discretion may order any part thereof to be returned to the parties appearing to have been severally thereunto entitled.

VIII. Any Officer of Police may arrest without warrant all persons whom he may see in the act of gaming in any street or public place or thoroughfare in the said town or island, and seize all cards, dice, counters, and instruments of gaming which he finds in their possession, which, on conviction of any of the parties, shall be destroyed by order of the Court.

IX. It shall not be necessary, in order to convict any person of keeping a common gaming house, or of being concerned in the management of any common gaming house or gaming table, to prove that any person found playing at any game was playing for any money, wager, or stake.

X. Any person who shall have been concerned in any unlawful gaming, and who shall be examined as a witness before the said Court of Petty Sessions, on the trial of any person or persons for a breach of any of the provisions of this Act, and who upon such examination shall make true and faithful discovery to the best of his or her knowledge of all things as to which he or she shall be so examined, and who shall thereupon receive from the said Court a certificate in writing to that effect, shall be freed from all prosecutions under this Act for any thing done before that time in respect of such unlawful gaming.

XI. Nothing in the foregoing provisions of this Act contained shall be held to apply to any game of mere skill played at Hotels or Taverns licensed by the Collector of Land Revenue, and the Senior Magistrate of Police under Act XVIII. 1840, or in any place of public resort licensed by the Court of Petty Sessions under Act XIV. 1842.

XII. Every person who shall by any fraud or unlawful device or ill practice in playing at or with cards, dice, or other game, or in bearing a part in the stakes, wagers or adventures, or in betting on the sides or hands, of them that do play, or in wagering on the event of any game, sport, pastime, or exercise, win from any other person for himself, or any other or others any sum of money or valuable thing, shall be deemed guilty of obtaining such money or valuable thing from such other person by a false pretence, with intent to cheat or defraud such person of the same, and being convicted thereof shall be punished accordingly.

XIII. No conviction or other proceeding before the said Court of Petty Sessions under this Act shall be quashed, or set aside or adjudged void or insufficient for want of form, or be removed by Certiorari into Her Majesty's Supreme Court.

XIV. All fines imposed under this Act shall be recovered under Act II. 1839.

XV. The Court of Petty Sessions shall on conviction have power to direct any portion, not exceeding one-fourth of any fine which shall be levied under the provisions of this Act, or any part of the monies or proceeds of articles seized in any common gaming house and ordered to be forfeited, to be paid to an informer, and the balance of such fines and monies or the whole thereof, as the case may be, shall be applied to the use of the Municipal Fund under Act XI. 1845.

Fort William, Home Department, Legislative, the 11th July, 1851.

The following Draft of a proposed Act was read in Council for the first time on the 11th of July 1851.

ACT No. —— OF 1851.

For vesting the power of mitigating or discharging penalties at Madras and Bombay in the Governor in Council.

Whereas the several Supreme Courts of Judicature at Madras and Bombay now have power to mitigate and discharge all fines, amerciaments, forfeitures and sums of money set, ordered or adjudged by the said Supreme Courts of Judicature respectively, and whereas it is expedient that such powers should be exercised by the Governors of the Presidencies of Madras and Bombay in Council respectively, It is enacted as follows:

I. The powers hitherto possessed by the said Supreme Courts at Madras and Bombay respectively, or by any other Court of Justice at Madras or Bombay respectively, to mitigate, or discharge any fines, amerciaments, forfeitures and sums of money set, ordered, or adjudged by such Supreme Courts, or by any other Court of Justice at Madras and Bombay aforesaid, on or against any person or persons for any offence, misdemeanour, default, contempt, neglect, or forfeiture, shall cease except as to such fines, amerciaments, forfeitures, and sums of money set, ordered or adjudged before the passing of this Act.

II. The Governor of the Presidency of Fort St. George at Madras in Council may mitigate, or discharge all fines, amerciaments, forfeitures, and sums of money which shall hereafter be set, ordered, or adjudged by the said Supreme Court of Judicature at Fort St. George at Madras aforesaid, or by any other Court of Justice, or other person or persons there, having lawful authority to set, order, or adjudge fines, amerciaments, forfeitures, or sums of money for any offences, misdemeanors, defaults, contempts, neglects, or forfeitures, as the Court of Exchequer in England, or the Chancellor, or Barons thereof lawfully may do in England. And the said Governor in Council may by any order cause a share or proportion of any fine imposed, on any person or persons for any delinquency or misdemeanor prosecuted to judgment, to be paid over to the prosecutor toward defraying his expences occasioned thereby, as such Governor in Council thinks fit.

III. The Governor of the Presidency of Bombay in Council may mitigate or discharge all fines, amerciaments, forfeitures, and sums of money, which hereafter shall be set, ordered, or adjudged by the said Supreme Court of Judicature at Bombay, or by any other Court of Justice, or other person or persons there, having lawful authority to set, order, or adjudge fines, amerciaments, forfeitures, or sums of money for any offences, misdemeanors, defaults, contempts, neglects, or forfeitures, as the Court of Exchequer in England or the Chancellor or Barons thereof lawfully may do in England. And the last mentioned Governor in

Council may by any order, cause a share, or proportion of any fine imposed on any person or persons for any delinquency, or misdemeanor prosecuted to judgment, to be paid over to the prosecutor toward defraying his expences occasioned thereby, as such Governor in Council thinks fit.

Ordered, that the Draft now read be published for general information.

Ordered, that the said Draft be re-considered at the first Meeting of the Legislative Council of India after the 11th day of October next.

Fort William, Home Department, Legislative, the 11th July, 1851.

The following Draft of a proposed Act was read in Council for the first time on the 11th July 1851.

ACT No. —— OF 1851.

For summary suits, for arrears of rent, and sales of saleable tenures to be held within the judicial district in which the lands are situated.

Whereas by Regulation VIII. 1831 of the Bengal Code, summary suits or claims relating to arrears or exactions of rents were transferred from the Judges of the Zillah or City Courts to the Collectors of the several Districts; and whereas by Regulation VII. 1832 of the Bengal Code, the superintendence of the sales of Putnee Talooks and other saleable tenures was transferred to the Collector or Deputy Collector of Land Revenue, or Head Assistant to the Collector or Deputy Collector, subject to an appeal to the Commissioner of Revenue for the Division; and whereas doubts have been entertained as to the District within which such summary suits or claims should be decided, and such sales made, by reason that the jurisdiction of the several Zillah and City Courts is not conterminous with the jurisdiction of the several Collectors of Land Revenue, and it is expedient that such doubts be removed, and that in future such suits and sales be decided and made as near as possible to the lands which are the subject thereof, It is enacted as follows:

I. No order in any such summary suit, and no sale made before the passing of this Act, which has not been questioned before a Court of competent judicature, before the (   ) day of (   ) on the ground of having been decided or made by a Collector having no jurisdiction therein, shall be liable to be annulled or disputed on that ground.

II. All such summary suits, and sales of Putnee Talooks, and other saleable tenures, after the passing of this Act, shall be decided and made according to the said several Regulations by or under the superintendence of the Collector or Deputy Collector, or Head Assistant to the Collector or Deputy Collector of the District, within the jurisdiction of the Civil Court of which, the lands which are the subject of such suit or claim, are situated.

Ordered, that the Draft now read be published for general information.

Ordered, that the said Draft be re-considered at the first Meeting of the Legislative Council of India after the 11th day of September next.

NEW PILOT STATION FOR THE S. W. Monsoon—Distinction of Lights.

NOTICE is hereby given, that *from and after the 15th of March* 1852, the Pilot Station for the South West Monsoon will be changed to the position described in the following Sailing Directions of the Master Attendant of this Port; and that from and after the date specified, the Eastern Channel Light Vessel will show a *bright red light* instead of a *plain one*, as at present, to distinguish it from the Gasper Channel Light, which bears from it about N. N. W., *distant* 22 miles.

By Order of the Superintendent of Marine,

James Sutherland,
Secretary.

Fort William, the 6th May, 1851.

Sailing Directions for Vessels requiring Pilots during the South West Monsoon at the New Station, on the North East part of the Pilot Ridge.

False Point Light House is in latitude 20° 19¾′ *north* and longitude 86° 47′ *east*, and a buoy is placed in 21½ fathoms on the Pilot's Ridge, in latitude 20° 49½′ *north*, and longitude 87° 42′ *east*, the buoy therefore bears from False-Point Light House *north* 59° 19′ *east* true, and distant 59½ miles.

A vessel therefore after making the Light House at Fase Point (in passing which she ought not to go into less than 10 fathoms) should bring it to bear about *west south west* 10 or 15 miles distant, when she will be in 11 or 12 fathoms, then steer *east north eastward*, when the soundings will gradually increase to 23 fathoms on the eastern edge of the Pilot's Ridge. She should then regulate her course so as to keep between the Ridge and 27 fathoms, when by attention to the lead and nature of the soundings, course and distance run from the Light House, it is almost impossible to avoid making the Pilot Vessels, as their cruizing ground is immediately to the *north east* of the Light Vessel stationed during the *South West Monsoon* in close proximity to the buoy on the Ridge.

The soundings to seaward of the Pilot's Ridge are in general a greenish or olive coloured mud, with occasionally a few bits of broken shells mixed with it; whilst those on the Ridge are of a shelly sand, or minute gravel, of a reddish or rusty brown color.

Vessels approaching the Station are earnestly warned to be careful in avoiding collision when communicating with either the Light, or supplying Pilot Vessels; and on making the former at night, they are strongly recommended to heave to, at a proper distance till day-light, by which measure they will avoid the probability of passing the supplying Pilot Vessels in the darkness of the night.

The Eastern Channel Light Vessel is in latitude 21° 04′ *north* and longitude 88° 14′ *east*, and therefore bears from the buoy on the Pilot's Ridge, *north* 63·26 *east*, true; and distant 32½ miles.

The Eastern Channel Light Vessel burns a blue light every hour during the night, commencing at 7 P. M. and a maroon, (or torch) at the intermediate half hours, and her standing Light will from the date above specified, be a *bright red* colour.

The Pilot's Ridge Light Vessel shows one plain standing Light, and burns a blue light every hour, and a maroon at the intermediate half hours, and also fires a gun on sighting any vessel.

During the *North East Monsoon*, the cruizing ground where Ships will have to seek for Pilots, will be as heretofore in the Eastern Channel.

Simla, 7th July, 1851.

The Most Noble the Governor General having had under consideration the system now pursued in the periodical examination of Military Officers in the Native Languages, by Station Committees, and being of opinion that it is open to objection, His Lordship, with a view to ensure a more uniform and satisfactory test of proficiency, is pleased to direct that the examinations shall hereafter be conducted under the following Rules:

2. Examining Committees will be assembled annually on the 10th of January and 10th of July, at the several Stations of the Army as at present, and will be composed when practicable of one Officer of the Civil Service, and of two or more Military Officers.

3. The Committees will meet and conduct the examinations as at present, but instead of passing an opinion as to the qualifications of the Candidate, they are to transmit their Proceedings, which are to be fully recorded, together with the Translations, Exercises, written Questions and Answers, and their opinion on the manner in which the Candidate has passed the *viva voce* examination to the Secretary of the College of Fort William, to be laid before the College Examiners, by whom the decision on the Candidate's proficiency will be pronounced.

4. In transmitting their Proceedings, Committees are to make up each Candidate's papers, separately, designating them by a figure, or some distinctive mark, and not by his name.

5. Detailed instructions for the guidance of Station Examining Committees will be prepared by the Examiners of the College of Fort William.

6. Under this system, the same standard will be applied by the same judges to all who submit themselves to the test of examination.

Whereas it is expedient to enable Government to levy Tolls upon Roads and Bridges, It is enacted as follows :

I. Acts II. 1837 and VIII. 1838 are repealed, but not so as to revive any Regulation or Act thereby repealed.

II. The Governor of the Presidency of Fort William in Bengal, the Lieutenant Governor of the North Western Provinces of Bengal, the Governor of the Presidency of Fort St. George in Council, and the Governor of the Presidency of Bombay in Council, may cause such rates of Toll, not exceeding the rates mentioned in the Schedule annexed to this Act, as they respectively think fit, to be levied upon any road or bridge which has been, or shall hereafter be made or repaired at the expense of the Government; and may place the collection of such Tolls under the management of such persons as may appear to them proper: and all persons employed in the management and collection of such Tolls shall be liable to the same responsibilities, as would belong to them, if employed in the collection of the Land Revenue.

ACT NO. IX. OF 1851.

An Act for the prevention of Gambling in Bombay.

Whereas the vice of Gambling has of late years much increased, and many gaming houses have been established within the Town and Island of Bombay, for suppression of which the laws now in force are inadequate, It is enacted as follows:

I. So much of Article II. of Title Fifth of a Rule, Ordinance and Regulation passed by the Governor of Bombay in Council on the 11th day of April 1827, and registered in the Supreme Court of Bombay on the 22nd day of June 1827, as provides that the Court of Petty Sessions shall exercise jurisdiction over common gamblers who shall not give a satisfactory account of any other means of livelihood, is repealed.

II. Every person who, within the Town and Island of Bombay, shall keep a common gaming house, or any room, or other place used for the purposes of a common gaming house, or who shall have the care or management thereof, or shall in any manner conduct the business of any such common gaming house, either as Banker, Shroff, Croupier or otherwise, shall, on conviction before the Court of Petty Sessions, be punishable by fine not exceeding One Thousand Rupees, or, in the discretion of the said Court, may be imprisoned with or without hard labor for any period not exceeding six Calendar months.

III. And, whereas it may be doubted, whether or not certain houses or rooms alleged or reputed to be opened for the use of the subscribers only, or not open to all persons desirous of using the same, are to be deemed common gaming houses, it is declared and enacted that, in default of other evidence proving any house, room, or place to be used as a common gaming house, it shall be enough, in support of the allegation in any information or indictment that any house, room, or place is a common gaming house, to prove that such house, room, or place is kept or used for playing therein at cards, dice, or any unlawful game, and that a bank is kept there by one or more of the players exclusively of the others, or that the chances of any game played therein are not alike favorable to all the players, including, among the players, the banker or other person by whom the game is managed, or against whom the other players stake, play or bet; and every such house, room, or place shall be deemed a common gaming house.

IV. Every person who shall be found in any such common gaming house playing or gaming with cards, dice, counters, money, or other instruments of gaming, or who shall be found there present during such playing or gaming, or for the purpose of gaming, or who shall be found gaming with cards, dice, counters, money, or other instruments of gaming in any street or public place or thoroughfare within the said town and island, whether playing for any money, wager, stake, or otherwise, shall be punishable, on conviction before the Court of Petty Sessions, by fine not exceeding Five Hundred Rupees; or in the discretion of the said Court, may be imprisoned with or without hard labor for any period not exceeding three Calendar months.

V. Any Magistrate of Police, upon information laid before him on oath that there is reason to suspect any house, room, or place within the said town and island to be used as a common gaming house, may, by his warrant, give authority to any Constable of Police in the town and island of Bombay to enter, with such assistance as may be found necessary, by night or by day, and by force if necessary, any such house, room, or other place, and to take into custody all persons whom he finds therein, whether or not then actually gaming; and to seize all instruments of gaming, and all monies and securities for money found therein, and to search all parts of the house, room, or place which he shall have so entered, when he has reason to believe that any instruments of gaming are concealed; and to search also the persons of those whom he so takes into custody, and to seize and take possession of all cards, dice, counters, and other instruments of gaming which he shall find upon such search.

VI. When any cards, dice, gaming table or cloth, or other instruments of gaming are found in any house, room, or place of which information has been given on oath to a Magistrate of Police that it is suspected of being used as a common gaming house, or about the person of any of those who are found therein, it shall be evidence, until the contrary is made to appear, that such house, room, or place is used as a common gaming house, and that the persons found therein were there present for the purpose of gaming, although no play was actually seen by the Constable or any of his Assistants.

VII. On conviction of any person for keeping or being present for the purpose of gaming in any common gaming house, all the instruments of gaming found therein shall be destroyed by order of the Court of Petty Sessions,

which shall also order all, or any of the securities for money, and other articles seized, not being instruments of gaming, to be sold and converted into money, and the proceeds thereof, with all monies seized therein, to be forfeited, or in its discretion may order any part thereof to be returned to the parties appearing to have been severally thereunto entitled.

VIII. Any Officer of Police may arrest without warrant all persons whom he may see in the act of gaming in any street or public place or thoroughfare in the said town or island, and seize all cards, dice, counters, and instruments of gaming which he finds in their possession, which, on conviction of any of the parties, shall be destroyed by order of the Court.

IX. It shall not be necessary, in order to convict any person of keeping a common gaming house, or of being concerned in the management of any common gaming house or gaming table, to prove that any person found playing at any game was playing for any money, wager, or stake.

X. Any person who shall have been concerned in any unlawful gaming, and who shall be examined as a witness before the said Court of Petty Sessions, on the trial of any person or persons for a breach of any of the provisions of this Act, and who upon such examination shall make true and faithful discovery to the best of his or her knowledge of all things as to which he or she shall be so examined, and who shall thereupon receive from the said Court a certificate in writing to that effect, shall be freed from all prosecutions under this Act for any thing done before that time in respect of such unlawful gaming.

XI. Nothing in the foregoing provisions of this Act contained shall be held to apply to any game of mere skill played at Hotels or Taverns licensed by the Collector of Land Revenue, and the Senior Magistrate of Police under Act XVIII. 1840, or in any place of public resort licensed by the Court of Petty Sessions under Act XIV. 1842.

XII. Every person who shall by any fraud or unlawful device or ill practice in playing at or with cards, dice, or other game, or in bearing a part in the stakes, wagers or adventures, or in betting on the sides or hands, of them that do play, or in wagering on the event of any game, sport, pastime, or exercise, win from any other person for himself, or any other or others any sum of money or valuable thing, shall be deemed guilty of obtaining such money or valuable thing from such other person by a false pretence, with intent to cheat or defraud such person of the same, and being convicted thereof shall be punished accordingly.

XIII. No conviction or other proceeding before the said Court of Petty Sessions under this Act shall be quashed, or set aside or adjudged void or insufficient for want of form, or be removed by Certiorari into Her Majesty's Supreme Court.

XIV. All fines imposed under this Act shall be recovered under Act II. 1839.

XV. The Court of Petty Sessions shall on conviction have power to direct any portion, not exceeding one-fourth of any fine which shall be levied under the provisions of this Act, or any part of the monies or proceeds of articles seized in any common gaming house and ordered to be forfeited, to be paid to an informer, and the balance of such fines and monies or the whole thereof, as the case may be, shall be applied to the use of the Municipal Fund under Act XI. 1845.

The following Draft of a proposed Act was read in Council for the first time on the 11th July 1851.

ACT No. —— OF 1851.

For summary suits, for arrears of rent, and sales of saleable tenures to be held within the judicial district in which the lands are situated.

Whereas by Regulation VIII. 183' of the Bengal Code summary suits or claims relating to arrears or exactions of rents were transferred from the Judges of the Zillah or City Courts to the Collectors of the several Districts; and whereas by Regulation VII. 1832 of the Bengal Code, the superintendence of the sales of Putnee Talooks and other saleable tenures was transferred to the Collector or Deputy Collector of Land Revenue, or Head Assistant to the Collector or Deputy Collector, subject to an appeal to the Commissioner of Revenue for the Division; and whereas doubts have been entertained as to the District within which such summary suits or claims should be decided, and such sales made, by reason that the jurisdiction of the several Zillah and City Courts is not conterminous with the jurisdiction of the several Collectors of Land Revenue, and it is expedient that such doubts be removed, and that in future such suits and sales be decided and made as near as possible to the lands which are the subject thereof, It is enacted as follows:

No. 62 *of* 1851, *Military Department.*

TO OUR GOVERNOR OF THE PRESIDENCY OF FORT WILLIAM IN BENGAL.

Para. 1. With advertence to your Letter of the 7th April 1849, bringing to our notice the proceedings of a Court Martial by which Ensign J. O. Penson, of the 19th N. I., was tried for wounding a Native, and sentenced to be imprisoned in the Fortress of Agra, for two years, also to our Letter of the 15th August following, directing him to be dismissed the Service; and to our despatch of the 19th September 1849, forwarding Her Majesty's free pardon for the Crime on condition of Mr. Penson being imprisoned for the space of one year, your Government, in your Military Letter, dated 25th July 1850, transmitted for our consideration copy of a letter from the Adjutant General of the Army, with a Memorial to our address from Mr. Penson, soliciting "that the Court would extend "their pardon for a first offence, committed in a "moment of extreme distress of mind of which "he has never ceased bitterly to repent, and for "which he has already suffered a severe punish-"ment; and that the Court will restore him to "the Service."

2. To this communication we replied on the 20th November 1850, stating that the Memorial had been sent unaccompanied by any opinion on its prayer; and desiring that the sentiments of the Government and of the Commander in Chief upon it might be communicated to us.

3. In reply, your Government, under date the 5th March 1851, convey the recommendation of the Commander in Chief, "that the case of "Mr. Penson may be taken into humane consi-"deration," and further state as follows:

"With reference to the Certificates submitted "with Mr. Penson's Memorial showing that, "excepting the unfortunate occasion, which led "to his trial, he had not ever been guilty of "violence towards Natives,—and that he bore a "good character in his Regiment,—and as dur-"ing the whole period of his confinement in the "Fortress of Agra, he was treated as a Military "prisoner, and was never exposed to any injuri-"ous associations, we would add our support "to the recommendation of His Excellency."

4. Considering the nature and degree of the punishment which Mr. Penson has already sustained in having been imprisoned for one year, and deprived of his Military Commission for upwards of eighteen months; considering also the high character he had previously borne, and the recommendation of the Government and Commander in Chief in his behalf; and being of opinion that sufficient has been done in this case to evince our determination to punish with severity any Officer who treats the Natives of India with cruelty or oppression, we are now induced to restore Mr. Penson to his rank as third Ensign in the 19th Regiment Native Infantry on the Bengal Establishment, from the date when the orders to this effect shall be received by your Government.

5. This resolution has been concurred in by the Board of Commissioners for the Affairs of India.

6. You will publish this Despatch in General Orders to the Army.

The centre of the light is 197 feet above highwater level, and at the height of 18 feet may be seen in clear weather at a distance of 7 leagues.

Rottnest Light House is in latitude 32 degrees 0 minutes 19 seconds South, longitude 115 degrees 31 minutes 18 seconds East from Greenwich, and stands 3 miles North 75 degrees East by compass from the West extremity of the Island, and 2¾ miles West by compass from its East extremity.

NEW PILOT STATION
FOR THE
S. W. Monsoon—Distinction of Lights.

NOTICE is hereby given, that *from and after the 15th of March* 1852, the Pilot Station for the South West Monsoon will be changed to the position described in the following Sailing Directions of the Master Attendant of this Port; and that from and after the date specified, the Eastern Channel Light Vessel will show a *bright red light* instead of a *plain one*, as at present, to distinguish it from the Gasper Channel Light, which bears from it about N. N. W., *distant* 22 miles.

By Order of the Superintendent of Marine,

James Sutherland,
Secretary.

Fort William, the 6th May, 1851.

Sailing Directions for Vessels requiring Pilots during the South West Monsoon at the New Station, on the North East part of the Pilot Ridge.

False Point Light House is in latitude 20° 19½′ *north* and longitude 86° 47′ *east*, and a buoy is placed in 21½ fathoms on the Pilot's Ridge, in latitude 20° 49½′ *north*, and longitude 87° 42′ *east*, the buoy therefore bears from False Point Light House *north* 59° 49′ *east* true, and distant 59½ miles.

A vessel therefore after making the Light House at False Point (in passing which she ought not to go into less than 10 fathoms) should bring it to bear about *west south west* 10 or 15 miles distant, when she will be in 11 or 12 fathoms, then

steer *east north eastward*, when the soundings will gradually increase to 23 fathoms on the eastern edge of the Pilot's Ridge. She should then regulate her course so as to keep between the Ridge and 27 fathoms, when by attention to the lead and nature of the soundings, course and distance run from the Light House, it is almost impossible to avoid making the Pilot Vessels, as their cruizing ground is immediately to the *north east* of the Light Vessel stationed during the *South West Monsoon* in close proximity to the buoy on the Ridge.

The soundings to seaward of the Pilot's Ridge are in general a greenish or olive coloured mud, with occasionally a few bits of broken shells mixed with it; whilst those on the Ridge are of a shelly sand, or minute gravel, of a reddish or rusty brown color.

Vessels approaching the Station are earnestly warned to be careful in avoiding collision when communicating with either the Light, or supplying Pilot Vessels; and on making the former at night, they are strongly recommended to heave to, at a proper distance till day-light, by which measure they will avoid the probability of passing the supplying Pilot Vessels in the darkness of the night.

The Eastern Channel Light Vessel is in latitude 21° 04′ *north* and longitude 88° 14′ *east*, and therefore bears from the buoy on the Pilot's Ridge, *north* 63·26 *east*, true; and distant 32½ miles.

The Eastern Channel Light Vessel burns a blue light every hour during the night, commencing at 7 P. M. and a maroon (or torch) at the intermediate half hours, and her standing Light will from the date above specified, be a *bright red* colour.

The Pilot's Ridge Light Vessel shows one plain standing Light, and burns a blue light every hour, and a maroon at the intermediate half hours, and also fires a gun on sighting any vessel.

During the *North East Monsoon*, the cruizing ground where Ships will have to seek for Pilots, will be as heretofore in the Eastern Channel.

Master Attendant.
